

GOVERNMENT OF PUDUCHERRY
REGISTRATION DEPARTMENT

No. 5255/RD/A5/2020-21

Puducherry, dated. 29-12-2020

CIRCULAR

Sub: - RD-DRO-Scanning & Return of Registered Documents - Reg
Ref: - Circular No.2511/DRO/PA/2019/1509 Dt.15.10.2019

-000-

Reference is invited to the circular cited above, wherein it was directed that the documents are to be scanned and returned immediately after registration (i.e) as soon as registration is completed.

However, the Sub-Registrars expressed their difficulties in returning the documents immediately after registration when there are copious numbers of registrations on certain auspicious days. Also, it is pertinent here to mention that as per Rule 101 of Puducherry Registration Rules, 1969 "A document shall, if possible, be returned on the date of its admission to registration".

Therefore, all the Sub-Registrars are hereby directed to ensure that the registered documents are scanned and returned on the **same day of registration** on any situation. Any deviation in this regard will be viewed seriously.
